RE: Property Located at 2129 Highway 2 South

Dear Ms. Graham:

You recently requested a letter detailing the status of your property located at 2129 Highway 2 South. As you know, EPA identified the presence of vermiculite containing insulation at the property and has scheduled the property for cleanup. Our contractors are currently working with you on detailed plans for the cleanup, and are scheduled to begin work on or about April 12, 2003.

This cleanup will be conducted by EPA at no cost to you or any future owner of the property. If you have any questions, please contact the EPA Information Center at 293-6194.

Sincerely,

Jim Christiansen  
Remedial Project Manager
